

MDF-e Module

Issuance and guarantee of compliance in your goods and/or merchandise transport operations

Automate your MDF-e Issuance Processes **with those who know the most about the subject.**

The MDF-e module of the 4Tax Suite automates your tax document issuance processes, all in an integrated manner with your ERP and SEFAZ.

Funcionalidades e benefícios

Registration in Batch

Enables greater agility of the batch registration of the fiscal documents referring to the transported goods.

Identification of the Responsible

Allows the identification of the person responsible for transport at each stretch during the route.

Records of Changes

Record of all changes/replacements of transport or cargo units and their drivers.

Register of Operation

Records the beginning and end of each transport operation performed.

Agility in Delivery

It reduces downtime at inspection posts and reduces delivery time for goods.

Transport Tracking

Ensures tracking of all stages of physical circulation of the goods.

Data Consolidation

Consolidation of NF-e and CT-e information in a single database.

End to end tax process

Fluxo operacional do MDF-e

4tax
Fiscal Compliance Suite
by SEIDOR

Creation of the MDF-e document at ECC (Assumptions: Registered Vehicle / Registered Driver / NF-e/CT-e Approved at SEFAZ)

4tax
Fiscal Compliance Suite
by SEIDOR

Send the MDF-e created by the user in the ECC to SEFAZ

4tax
Fiscal Compliance Suite
by SEIDOR

After MDF-e approval, release the Vehicle to transit with the goods.

4tax
Fiscal Compliance Suite
by SEIDOR

After returning from the Vehicle, send the MDF-e by ECC for closing with SEFAZ.

Smart Dashboards with Specific Indicators for your Company

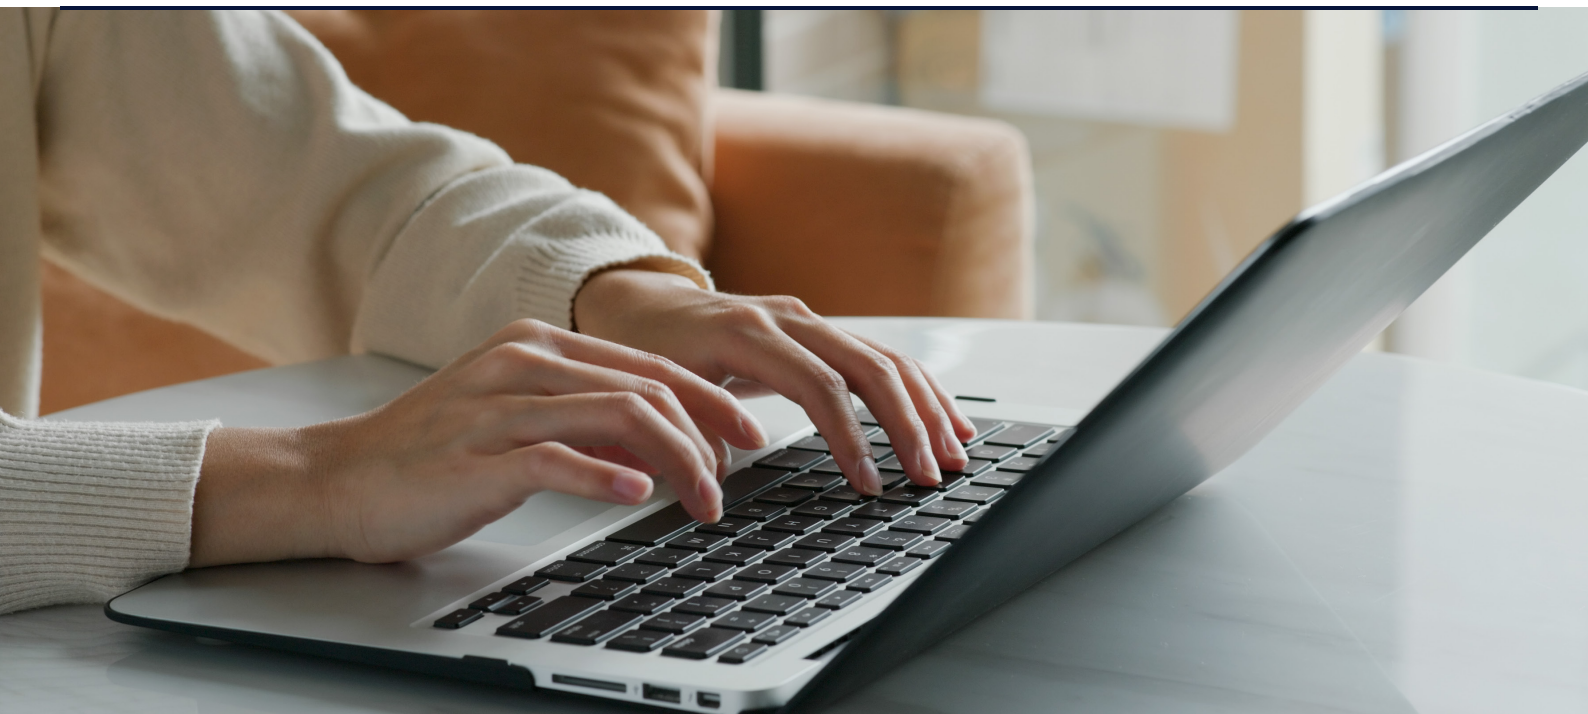

The MDF-e Module of the 4Tax Suite has specific indicators to meet the results management and performance measurement needs of your tax assessment journey.

Support and Maintenance

SEIDOR has a **team of tax intelligence specialists** responsible for monitoring and disseminating, through periodic newsletters, the main changes in legislation. With a multidisciplinary team, we constantly evaluate impact of each of these changes in all of our products, providing updates in an agile and proactive way.

In addition to the tax expertise, we are a SAP specialist company, which allows us to meet the needs of our customers from end to end.
